BIRMINGHAM AND MIDLAND EAR AND THROAT HOSPITAL

NINETY-THIRD ANNUAL REPORT

THE Committee of Management have pleasure in submitting the Ninety-third Annual Report of the Hospital, together with the Income and Expenditure Account for the year ended 31st December, 1937.

IN-PATIENTS.

The following statistics give particulars of patients treated :

Year	1937	1936
				<hr/>	<hr/>
Total	1285	1422
Daily average	40·09	42·2

There was a decrease of 137 in the number of in-patients treated in 1937, as compared with 1936. The daily average number of in-patients was 40·09 compared with 42·2, and the average stay 11·67 days as against 10·86 days. The reduction in the number of in-patients treated is due to the fact that only 45 beds were available instead of the normal number of 50, owing to alterations and extensions being in progress during the year. As usual, patients have come from all parts of the Midlands for special treatment, thus emphasizing the fact that the activities of the Hospital are far-reaching in importance.

RECOVERY HOME.

The Recovery Home was opened for the admission of patients on the 1st June, 1935, and experience has proved its great value to the Hospital ; as a result the waiting list has been considerably reduced, and the patients have greatly benefited by the change of air and pleasant surroundings.

The total patients treated last year was 243, the daily average 13·09, and the average stay of each patient 20·16 days, as compared with 221 patients treated, daily average 11·9, and average stay of each patient 19·6 days for 1936.

OUT-PATIENTS.

The number of new out-patients registered during 1937 was 8,373, and the attendances 43,511, as compared with 7,468 new cases and 42,160 attendances in 1936. The number of old cases treated during the year was 19,934, as against 20,342 in 1936.

<i>Year.</i>			<i>New Cases.</i>	<i>No. of Attendances.</i>
1917	7,137	20,682
1927	11,153	36,186
1937	8,373	43,511

OUT-PATIENTS WAITING.

Although the Committee have in the past year given much thought and attention to various time-saving improvements in the Out-Patient Department they have felt that further efforts should be made to curtail the period of waiting by the patients. It is impossible to give appointments to those attending for the first time, but the appointment system has been applied to old cases, dressing cases, etc. Arrangements have been made for two out-patient clinics daily (except Saturday and Sunday). The morning clinic is available for new patients, and the afternoon clinic for old patients who will attend at an appointed time.

The new arrangements should prove of great value to the patients, for not only will it prevent a tedious wait, but will also enable them to return to work with the least possible loss of working time.

PRIVATE CASES.

Previously a number of private beds were reserved at a Nursing Home in Edgbaston, so that if they so desired patients

of this Hospital could be admitted as private patients at a reduced inclusive fee.

The Committee are now pleased to report that facilities for private patients are available at the Hospital, as recently a modern Private Ward Block has been completed.

EXTENSIONS AND ALTERATIONS TO THE HOSPITAL.

The extensions and alterations to the Hospital have now been completed and the beds available are as follows :

Main Hospital	71 beds.
Recovery Home	17 „
Private Wards	10 „

In addition to the extra accommodation provided for the patients particular attention has been given to the need of modern and sufficient accommodation for the Nursing and Domestic Staff.

The Hospital has been sadly lacking in up-to-date research facilities and to remedy this deficiency a complete X-ray Department and Research Laboratory have been provided. Other new services are an up-to-date Theatre Unit, Ultra-Violet Ray Department, Private Wards, and a Modern Kitchen.

The present Hospital building has been entirely modernised, and is now one of the largest and best equipped Hospitals of its kind in the United Kingdom.

FINANCE.

Reviewing the Income and Expenditure Account the ordinary income for the year was £13,643 9s. 0d. and the ordinary expenditure £14,435 9s. 0d. Full particulars of the above figures and of the Income and Expenditure on Special Accounts will be found in the financial statements. The Committee, whilst appreciating the financial support at present received from neighbouring districts, beg to draw the attention of the residents of these places to the fact that this support is far short of the cost of treating the patients from such districts, and they trust their appeal for more generous contributions will not be in vain.

Mr. A. P. Thornley	954	5	9
Mr. C. S. Fairbanks	644	10	1
Mr. Samuel Taylor	540	0	0
Mr. W. H. Smith	450	0	0
Mr. H. Benton	163	5	11
Mr. A. R. G. Sanders	50	0	0

The Committee desire to record their appreciation and thanks for the valuable help rendered to the Hospital by the annual subscribers, donors of money, and gifts in kind. During the year annual subscriptions received amounted to £1,055 18s. 9d., as against £1,108 13s. 8d. in 1936.

A large number of subscribers have availed themselves of adding to the value of their gifts without further cost to themselves by adopting the scheme whereby the Hospital may obtain a refund of Income Tax. It is hoped that this method of helping the Hospital will commend itself to all subscribers, as thereby the income from subscriptions can be increased considerably without any additional expense to the subscriber. To obtain the benefit of the scheme a subscriber has to agree to pay his subscription for a period of seven years. Full information will be found on page 50.

BIRMINGHAM HOSPITALS CONTRIBUTORY ASSOCIATION.

The amount received from the Birmingham Hospitals Contributory Association during the year was £9,581. The Committee acknowledge with gratitude this vital contribution to the Hospital's income, and wish all concerned with this splendid organisation every success in their efforts to secure financial support for the voluntary hospitals of Birmingham.

BIRMINGHAM HOSPITAL SATURDAY FUND.

The Committee also desire to extend to the Birmingham Hospital Saturday Fund, and to the firms and individuals who have assisted in the collection of funds, their thanks and appreciation for the great financial help they afford to the hospitals in Birmingham, as they realise that the substantial financial assistance afforded to this Hospital is in a great measure due to their efforts.

HOSPITAL COUNCIL SUNDAY ENTERTAINMENTS CHARITABLE FUND.

The Hospital received a welcome addition to the funds by the receipt of a grant from the above fund of £409, and the Committee offer their grateful thanks to all concerned.

MANAGEMENT.

Mr. A. M. Thompson was elected Chairman and Mr. G. C. King Vice-Chairman of the Committee for the year.

HONORARY MEDICAL STAFF.

The Committee again express their appreciation and thanks to the Honorary Medical Staff for their unremitting care of the patients and attention to the interests of the Hospital. This appreciation, the Committee are sure, is shared by the patients and the Governors.

OBITUARY.

It is with deep regret that the Committee have to place on record the death of Mr. J. C. Vaudrey, who was a Vice-President and Trustee of the Hospital, and also a member of the Committee for a period of twenty-six years, during which time he rendered invaluable service.

LADIES' LINEN LEAGUE.

Special mention must be made of the Ladies' Linen League, which materially assists the work of the Hospital by supplying bed and other linen. The League is a most valuable asset to the Hospital, and the efforts of the members are much appreciated.

LADY VISITORS.

Thanks are due to the lady visitors for their personal interest in the Hospital. Their kind help and suggestions are much valued by the Committee.

APPOINTMENTS.

The appointments of House Surgeons during the year have been filled by Dr. D. B. French, Dr. K. M. Mayall, Dr. D. M. Beaumont, Dr. H. C. Saksena, and Dr. J. H. Hofmeyr, who have performed their duties to the satisfaction of the Medical Staff and the Committee.

ANNUAL DANCE.

Special reference must be made to the First Annual Dance, which was held in the Assembly Rooms, Edgbaston, on 10th December, 1937, and which resulted in a substantial amount being raised for the benefit of the Hospital. The Committee desire to record their sincere thanks and appreciation to the Organising Committee for the great service they rendered and which brought a welcome addition to the funds.

The Committee desire to extend to all generous friends who have from time to time contributed Gifts for the comfort of the patients, their sincere appreciation and thanks. (See page 37 for list.)

The Committee tender their thanks to Mr. E. C. Bewlay, Architect, for his advice and assistance during the past year.

In conclusion, the Committee desire to record their appreciation of the services rendered throughout the year by the Matron, Secretary, and the Nursing and Office Staffs of the Hospital, and for their assiduous attention in carrying out their duties.

By Order of the Committee,

A. M. THOMPSON,
Chairman.

REPORT OF THE MEDICAL COMMITTEE FOR 1937.

The Medical Committee beg to submit the following report to the Governors for the year 1937.

The number of in-patients treated during the year was 1,285, as compared with 1,422 in the previous year. The number of new out-patients registered was 8,373, and the total out-patient attendances 43,511.

The number of in-patients treated at the Hospital shows a decrease of 137 as compared with last year. The average length of stay was 11·36 days, as against 10·86 days last year. The daily average was 40·07, compared with 42·2 in 1936.

The number of beds available during the year has been curtailed by building operations taking place in the Hospital, and this, in conjunction with an increase of out-patients, has resulted in a greater number of patients on the waiting list compared with last year.

Since the completion of the new wards the Hospital has been able to deal with more patients requiring urgent mastoid operations ; formerly many of these patients had to be turned away for lack of beds.

The Recovery Home has relieved the strain on our Hospital beds, and has been greatly appreciated by those patients who live in the centre of the city.

The Out-patient Department has been reorganised as regards the time of waiting by patients, and there is now very little delay before they are seen by the medical staff.

The X-ray Department under the charge of Dr. Teall is now in use, and the medical staff are very grateful to the donors of this gift—the Hospital Saturday Fund.

The Hay Fever Clinic started last year gave satisfaction to out-patients, and will be continued.

Working in conjunction with the Dental Hospital, during the last six months their students have been attending the practice of this Hospital, and the arrangement having proved satisfactory is to continue.

BED ENDOWMENTS

It is greatly to be regretted that there are so few Endowed Beds at this important Hospital.

There is no better or more appropriate way of perpetuating the memory of a departed relative or friend than the Endowment of a bed. It is the highest form of benefit conferable upon the Hospital, as it ensures a perpetual income for the carrying on of a good work.

£1250 will endow a Bed.

£500 will endow a Cot.

needed. - - - -

PRESENT PRIVILEGES

DONATIONS.

£25 0 0 Constitutes Life Governorship.

ANNUAL SUBSCRIPTIONS.

£1 1 0 Constitutes Annual Governorship.

Life Governors and Annual Subscribers may allocate their contributions towards the maintenance charges of any patient they wish to recommend for treatment.

Increased Annual Subscriptions are earnestly invited from the Governors and all friends of the Charity, so that the whole of the available Eighty-eight Beds, for which there is great demand and urgent necessity, may be continuously maintained.

Cheques to be crossed "Barclays Bank Limited." Cash may be paid into any of the *Branch Offices* of the Bank for the credit of the Account of the Hospital at Birmingham.

Subscribers to the Birmingham and Midland Ear and Throat Hospital will be interested to know that, **without any extra cost to themselves**, every guinea they contribute may be increased to £1 9s. 0d.

Charities are entitled to recover Income Tax on subscriptions received and all that is required is that the donor should agree to spread his contribution over a period of seven years. This additional benefit arises from the provisions of Section 20 of the Finance Act, 1922. It should be pointed out that **no extra trouble to the subscriber is involved by this method**.

The sum named in the Agreement can, of course, be for any amount according to the wishes of the donor, and the following examples illustrate the great benefit to the Hospital of this scheme. The Agreement is terminable by death, so that your estate would not be liable for subsequent payments.

<i>Annual Subscription to be paid by the Subscriber.</i>			<i>Amount recovered by the Hospital from Inland Revenue.</i>			<i>Amount Credited to Subscriber in Subscription List.</i>
